

# Innovation @ Boehringer Ingelheim

## PARTNERING DAY, LONDON, UK

Thursday 26<sup>th</sup> April, 2018,

The King's Fund, 11 Cavendish Square, London W1 0AN

### Championing Innovation

Boehringer Ingelheim knows what it takes to be innovative and entrepreneurial. From the small factory in 1885 to today's multi-billion-dollar global pharmaceutical organisation, we know how important it is to nurture and develop emerging science and technology businesses.

Our track record of bringing breakthrough medicines to patients starts with new ideas and new science. And collaborations with external partners play an essential role in helping us deliver an innovation-led portfolio. Join us at our partnering day so we can learn from each other to develop the next generation of medicines.
