

ANIMAL HEALTH WORLDWIDE CONTACTS BUSINESS DEVELOPMENT & LICENSING

ANIMAL HEALTH PARTNERING TEAM - EUROPE

Dr. Frerich de Vries

Frerich has extensive experience in animal health and has held roles in clinical development, pharmaceutical sciences and business development. He has worked both in Germany and in the United States. Frerich is excited to complement the great science that goes on every day at Boehringer Ingelheim with new ideas from external innovation partners.

Phone: +49 (6132) 77172835

Email: frerich.de_vries@boehringer-ingelheim.com

Dr. Ursula Fauth

Ursula has more than 25 years experience in the pharmaceutical industry and has special expertise in product and technology licensing, particularly in contract negotiations.

Phone: +49 (178) 2908224

Email: ursula.fauth@boehringer-ingelheim.com

Christian Mieschendahl

Christian has more than 20 years of global human and animal health industry experience. He has held roles in regulatory affairs, project and key account management and global business transactions. What Christian enjoys most is to jointly create a win-win situation out of which a tangible business opportunity can originate.

ANIMAL HEALTH WORLDWIDE CONTACTS BUSINESS DEVELOPMENT & LICENSING

ANIMAL HEALTH PARTNERING TEAM - NORTH AMERICA

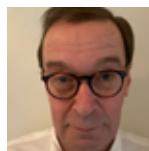

Dr. James Allan

Jim is a biologist by background with a PhD in Parasitology from the Liverpool School of Tropical Medicine. He has worked in the animal health industry for over twenty years, much of it in business development, including everything from in-licensing early stage technologies, product and company acquisitions, divestitures and carve-outs.

Phone: +1 (646) 413-8378

Email: james.allan@boehringer-ingelheim.com

Dr. Milton Boyle

Milton has a PhD in Animal Science from the University of Massachusetts (Amherst) and 32 years of experience in animal health and agriculture.

Phone: +1 (678) 638-3949

Email: milton.boyle@boehringer-ingelheim.com

Dr. Kate Christmas

Kate has extensive experience in animal health and has held roles in clinical drug development, regulatory affairs and the commercial business. She thoroughly enjoys scientific collaboration and working with external partners to achieve shared goals.

Phone: +1 (816) 588-8616

Email: kathryn.christmas@boehringer-ingelheim.com

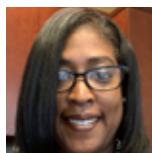

Dr. Arun Iyer

Arun has a PhD and more than 20 years of R&D experience in virology and vaccine development, having worked at the Mount Sinai School of Medicine, NY and LSU School of Veterinary Medicine. His experience spans emerging viruses of swine, and high consequence viruses like foot-and-mouth disease and CSF. Arun enjoys working in collaboration with partners and thought leaders.

Phone: +1 (515) 268-7407

Email: arun.iyer@boehringer-ingelheim.com

Dr. Anisha Moring

Anisha has extensive negotiation and contract drafting experience with third parties in the public (university and government) and private sectors. Anisha has over 10 years of experience in the animal health industry across species and segments.

Phone: +1 (678) 638-3555

Email: anisha.moring@boehringer-ingelheim.com
